2019 Dare2BDigital Conference & Design Challenge

March 2, 2019 9:00am - 3:30pm

PayPal headquarters, San Jose, CA

www.dare2bdigital.org #dare2bdigital

Dare2B Digital

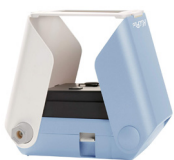

An exciting day of learning for high school students interested in STEAM (Science, Technology, Engineering, Arts & Math)!

- Become a design thinking ninja
- Experience real-world problem solving
- Work with professionals from top Silicon Valley companies

Interactive learning experience
Industry experts from companies including PayPal, Deloitte, Lockheed Martin, Tesla Vehicles, and Tesla Solar will present fun and educational problem-solving sessions using design thinking methodology.

Win prizes and experiences in the design thinking challenge!

Prizes include:

Smartphone Picture Printer

Helicopter Drone

Wireless Charging Pad

Water Bottle with Smart Lid

"Thank you @Dare2BDigital. It was so nice to see kids my age as passionate about technology as I am."

Sasha Williams, attendee from Carondelet High School

Workshops for parents, guardians and mentors
Nurture STEAM interest, skills and career paths.
